# JUAN CAMILO GALLEGO GALLÓN

@ gallegogjuancamilo@gmail.com  📞 +57 301 687 8103  📍 Bogotá, Colombia
in linkedin.com/in/ggjuancamilo  github.com/ggjuancamilo

B.Sc in Physics, Trilingual (Spanish, English, French), intuitive, with great analytical skills and eager to learn. Interested in data science, machine learning, programming and condensed matter physics. Special interest in ways data can improve people's life quality while been sustainable. I think these topics are the revolution of our industry and rules how current life works. Skills like leadership, assertiveness, argumentation, problem solving and adaptability represent me. Great working under pressure and advocate for heterogeneous teams and nonstandard solutions.

## EXPERIENCE

### Research Assistant
**$\mu - core$, microscopy core facility.**

📅 May 2017 – Dec. 2017  📍 Universidad de los Andes

- Sample pre-processing.
- Sample processing using Confocal microscopy (CLSM), Scanning electron microscopy (SEM), Atomic force microscopy (AFM) , Fluorescence and Transmitted light microscopy.
- Image processing using FIJI-ImageJ.

### Teaching assistant
**Academic Support Center (Clínica de Problemas)**

📅 Jan. 2017 – Dic. 2017  📍 Department of Physics.

General attention and reinforcement to students from various careers, when in doubt about courses of the common cycle courses of physics.

**Energy a global perspective**

📅 Jan. 2017 – May 2017  📍 Department of Physics.

- Exam scoring.
- Student guidance.

### Private tutor

📅 Jan. 2016 – Apr. 2020

*Functions:* Personalized classes in problem solving, preparation and resolution of workshops, improve student understanding and knowledge of physics.

## EDUCATION

### Bachelor of Science - Physics
**Universidad de los Andes**

📅 2014 – 2019  📍 Bogotá, Colombia

*Monograph:* Quantum entanglement and correlation measures in Deep Learning Networks.
*Supervised by:* Ph.D. Alonso Botero.

### Academic Exchange program
**Université Paris Diderot, Paris VII**

📅 Sept. 2016 – Jan. 2017  📍 Paris, France.

### Cultural Exchange program
**Lycée Gay Lussac**

📅 Aug. 2012 – Jun. 2013  📍 Limoges, France.

### High School
**Colegio Berchmans**

📅 1998 – 2012  📍 Cali, Colombia

First place 2012 ICFES standardized test.

### Certificates (click):

**Online at DataCamp**

📅 2020

**Career tracks:**

- Machine Learning Scientist with Python (93 h).
- Data Scientist with Python (100 h).
- Data Analyst with Python (60 h).
- Python Programmer Track (58h).

**Skill tracks:**

- Machine Learning Fundamentals Python (20 h).
- Deep Learning in Python (20 h).
- SQL Fundamentals (21 h).
- Time Series with Python (20 h).
- Python Programming (15 h).
- Data Manipulation with Python (20 h).

# FURTHER TRAINING

## Schools and congress:

### SciPy LATAM 2019.
### 7$^{th}$ Scientific Python LATAM conference
**Universidad de los Andes**

📅 Oct. 2019　　　　📍 Bogotá, Colombia

Assistant.

---

### 10$^{th}$ School on Mathematical Physics. Machine Learning for Quantum Matter and Technology
**Universidad de los Andes**

📅 May 2019　　　　📍 Bogotá, Colombia

Assistant.

---

### Cali school on Magnetism
**Universidad del Valle**

📅 Feb. 2018　　　　📍 Cali, Colombia

Assistant.

## Master in Physics Courses:

### Advanced Laboratory
**Universidad de los Andes**

📅 2017

*Project:* Measure of Magneto-electric effect on nanoparticles using Lock-in Method.

---

### Advanced computational Methods
**Universidad de los Andes**

📅 2017

Statistical Learning and High Performance Parallel Computing course.

# SEMINARS

### Small angle X-ray Scattering (SAXS)
**Condensed Matter Seminar**

📅 Nov. 2017　　　　📍 Department of Physics, Uniandes.

Speaker

### Convolutional Arithmetic Circuits, Deep Learning with depth efficiency approach
**Quantum Mechanics and Information theory Seminar**

📅 Aug. 2019　　　　📍 Department of Physics, Uniandes.

Speaker

# LANGUAGES

**Spanish**
Native.　　　　●●●●●

- - - - - - - - - - - - - - - - - - - - - - - -

**French**
Full professional proficiency.　　　　●●●●●

- - - - - - - - - - - - - - - - - - - - - - - -

**English**
Professional proficiency.　　　　●●●●○

- - - - - - - - - - - - - - - - - - - - - - - -

**German**
Elementary proficiency.
A2 course done.　　　　●●○○○

# SKILLS

## Programming:

**Good:**

`Python` : Dask, PySpark, TensorFlow, PyTorch, Keras, Scikit-learn, XGBoost, spaCy, Pandas...

`LaTeX` `Git` `GitHub`

**Basic:**

`SQL` `PyMongo` `C` `Java` `Bash`

## Interpersonal:

`Empathic` `Large-minded` `Critical` `Creative` `Dynamic` `Leader` `Persistent` `Persuasive` `Analytical` `purposeful` `Constant learner` `Good team worker` `Autonomous` `Curious`

# EXTRA-CURRICULAR ACTIVITIES

- **Condensed Matter** research group member; Physics Department, Universidad de Los Andes.

📅 Jun. 2017 – Jul.2018　　　　📍 Departamento de Física.

- Leader of **A los Andes en Bici** student group.
The group's mission is to promote and visualize the bicycle as a sustainable and viable means of transport to and from the university.

📅 Jun. 2014 – Jun. 2016　　　　📍 Universidad de los Andes.

- Member of the Uniandes Salsa student group.

📅 Ene. 2018 – Jun. 2019　　　　📍 Universidad de los Andes.
